

## PROFILE

I am Animesh Dewangan, a third-year BS-MS student at the Indian Institute of Science Education and Research (IISER) Kolkata. Originally from Akaltara, Chhattisgarh, I am deeply passionate about scientific research and learning, with a growing interest in materials and computational chemistry and its applications.

# RESUME

## ANIMESH DEWANGAN

### Research Student

## EDUCATION

IISER KOLKATA, INDIA

BS-MS (Dual Degree Program)

## LANGUAGE

Native Hindi

Intermediate English

## COMPUTATIONAL SKILLS

Frontend Web Development

Intermediate Python

Turbolmole Proficient

GaussView and Chemdraw User

Latex Writer

OriginLab expert

## WORK EXPERIENCE

May – July 2024

NIT Raipur, Raipur, Chhattisgarh

Summer Research Internship

**Project:** Synthesis and Characterization of Carbon Quantum Dots

**Guide:** Dr. Sagarika Bhattacharya

May – July 2025

IIT Guwahati, Guwahati, Assam

Summer Research Internship (SRFP Fellow)

**Project:** Effects of Fluorination on Excited state Properties of Salicylideneaniline

**Guide:** Dr. Aditya Narayan Panda
